

## Terms & Conditions

### 1. **Booking and Payment**

A non-refundable deposit is required to secure the services of Siobhain the Celebrant. The remaining balance is due prior to the ceremony date, as agreed upon during the booking process.

### 2. **Cancellations and Date Changes**

If the wedding is cancelled within one month of the ceremony date, or if the ceremony is rescheduled to a date when the celebrant is unavailable, the full fee will still be applicable and is non-refundable.

### 3. **Rehearsals**

Rehearsals must be scheduled at a time and day deemed achievable by the celebrant. A rehearsal at the same time of day as the wedding ceremony is not guaranteed and may not be possible.

### 4. **Weather Hold and Additional Fees**

If the couple wishes to block out an entire day for a weather hold, an additional full fee is required. The existing fee includes flexibility to find an alternative time on the same day that suits all parties, such as shifting from a 3:00 PM to a 10:00 AM ceremony, depending on the celebrant's availability.

### 5. **Delays on the Day**

If the wedding ceremony is delayed by more than 30 minutes from the scheduled start time, an additional fee of \$100 per hour (or part thereof) may be charged for the celebrant's extended attendance.

### 6. **Use of Images**

The client grants the celebrant the right to use images of the ceremony for social media, website content, and other promotional materials, unless otherwise agreed in writing.

### 7. **Intellectual Property**

The script for the ceremony is the intellectual property of the celebrant and may not be copied, reproduced, or distributed without prior written permission.

### 8. **Unforeseen Circumstances**

In the unlikely event that the celebrant is unable to officiate the ceremony due to illness or other unforeseen circumstances, all reasonable efforts will be made to find a suitable replacement through trusted local industry contacts. The client will be informed and involved in this process.
